President

President James H. Amburgey

Looking To The Future

One of the many accomplishments of President James H. Amburgey is the installation of a "biomass low-pressure hot water system."

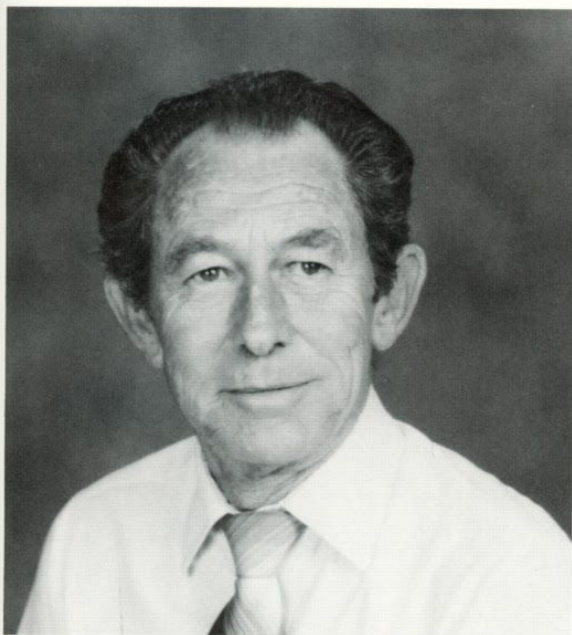

This hot water system is situated in the furnace room and behind the Lundy Science Hall. It will be used to heat the Barker Learning Center, the Trotter Industrial Education Building, the Hardwick-Johnston Memorial Library, and the Lundy Science Hall. The incinerator of the system will be burning sawdust-replacing the use of oil in three of these buildings and electricity in one.

James H. Amburgey established this hot water system so that the college should be progressively developed as a model institution in relation to energy conservation.

Vice-President B.D. Benton

Vice-President B.D. Benton began teaching at Hiwassee in 1953. He began teaching as the Industrial Education Instructor. From 1957-1969, he was the Director of Public Relations.

B.D. Benton comes from Virginia. He received his A.A. degree from Hiwassee College in 1951. He then received his B.S. in Industrial Education from E.T.S.U. in 1953. In 1955 he received his M.A. in Educational Administration and Industrial Education.

At present, Mr. Benton is Hiwassee's Vice-President for Development. Mr. Benton serves as host to visitors, represents Hiwassee through speaking engagements, and directs the public relations program for the college.

Academic Dean

Dr. William Knight came to Hiwassee College three years ago. Since he has been here, he has done a tremendous job in helping with Hiwassee's academic problems. He has become an important person to the sophomores because he sees that graduation requirements are being fulfilled. In spite of his busy schedule, Dr. Knight takes time to sponsor the Phi Theta Kappa Honorary Fraternity and teaches Public Speaking here at Hiwassee.

Dean Knight has a B.S. in English from East Tennessee State, a M.A. in English from Western Carolina University, and he received his PH.D. in College Administration from Virginia Polytechnical Institute and State University. Dean Knight is a very well educated man and his dissertation on Non-Punitive Grading Practices is widely acclaimed as excellent work.

Dr. Knight and his wife, Judy, and their two children, Myra and Lara, live in the Creekwood Subdivision of Madisonville.

Dean Of Students

Dean Daugherty & wife Carolyn

The job as Dean of Students carries with it a number of responsibilities. These range from coordinating the schedule of extracurricular activities to counseling students who may seek his advice concerning any of the numerous problems that face college students day after day. Dean Daugherty is one of the most popular people on campus because of his sincere concern for the students of Hiwassee and their well-being as individuals.

Dean Daugherty received his A.A. degree from Hiwassee. After receiving his A.A. degree from Hiwassee, Dean Daugherty attended E.T.S.U. to receive his B.A. in P.E. and Masters in Health. He has also done additional graduate work at U.T.K. in Education and Administration.

Dean Daugherty has an uncanny ability to learn all the names of every new freshman that enters Hiwassee. This makes every student feel as an individual, not just a number.

Dean Daugherty also finds time to coach the Lady Tigers Softball team, and to sponsor the Fellowship of Christian Athletes, and the Student Government Association.

Dean Daugherty and his wife Carolyn have three sons, Bill Jr., Robbie, and Tony. They reside in the old president's mansion.

A black and white photograph of a young man with short dark hair, wearing a horizontally striped polo shirt and dark trousers. He is kneeling on a light-colored wooden floor, leaning forward with his hands resting on the top edge of a large, empty wooden rocking chair. He is looking into the interior of the chair. The chair has a high, arched backrest and curved rockers. In the background, to the left, is a sink with a faucet and some items on the counter. To the right is a door with a handle. The overall scene suggests a workshop or a home environment where the man is inspecting or working on the chair.

Dear Hiwasseans

I was happy when I was asked to say a word to you Hiwasseans. I had little acquaintances with some parts of VA by going with a friend of mine on weekends.

At the beginning of the Fall quarter, when all the freshman arrived at Hiwassee, one day I was sitting by myself at the Cafeteria. This girl, a freshman came with her plate and asked if she could sit with me. Sure, I said. As we continued eating, she asked what my name was. When I told her my name, she quickly asked where I came from? I felt something as a result of her quick request. From VA, I said. Where at in VA? Duffield, VA. How come you talk funny? Most people in VA talk funny, was my reply.

Are there any of you who does the same thing again and again? Do not feel bad, I am like you. For the last four years I have been doing the same thing again and again. I left home for survival reasons. Ever since I left home I would stay in a country for a while and leave after I made home and friends. For the last two years Hiwassee has been my home. When everyone would leave on weekends, I would stay at Hiwassee by myself and still feel at home. It was hard to begin with, but slowly I started to acquaint myself with the building, trees and animals around me. I started to love staying by myself at Hiwassee. I would sit and talk to all my families, friends and the people I know. Slowly I started to make friends and soon life at Hiwassee became great. It never came to my mind that this hour would come and cut me off from my home and all the people I love.

Friends, you know how much it hurts. I had a plan not to see you before I leave. I am going to keep your letters as long as I can. While everyone of you is going home, I am leaving home. Hiwassee is my home. For the next person who asks where I came from, Hiwassee is my reply.

Friends, our friendship needs to be kept in constant repair. When we are separated we lose the advantage and pleasure of our communication, and if our separation lasts for a long time, we lose each other. No one stays the same person all his life. His ideas and feelings change for better or for worse.

Please let us keep in contact. At least let us come for homecoming. I will try to write you all, and promise to replay your letters.

Thank you for being my friends. Thank you Hiwassee. God Bless You. I Love You All.

Yours Abraham

Chapel And Assemblies

Throughout the school year, chapel services are held each week. A variety of programs are planned for each of these services. These programs vary from mini-concerts and choir performances to skits and preaching services.

Also held from time to time are assembly programs. One such program held this year was the slave auction which was sponsored by the Fellowship of Christian Athletes.

During the Fall Quarter, the band, SWEETWATER, came to Hiwassee and gave a magnificent performance. They entertained by singing a big variety of songs that really moved the audience. There were people in the crowd who were up singing and dancing right along with the band. They truly are a great group and have many fans here at Hiwassee.

Sweetwater

Another night of entertainment was provided by a gospel group known as The Inspirations. They also put on a good show by singing several different religious selections and by putting their all into the songs. Being a very talented group, they can communicate with their audiences really well and Hiwassee is no exception.

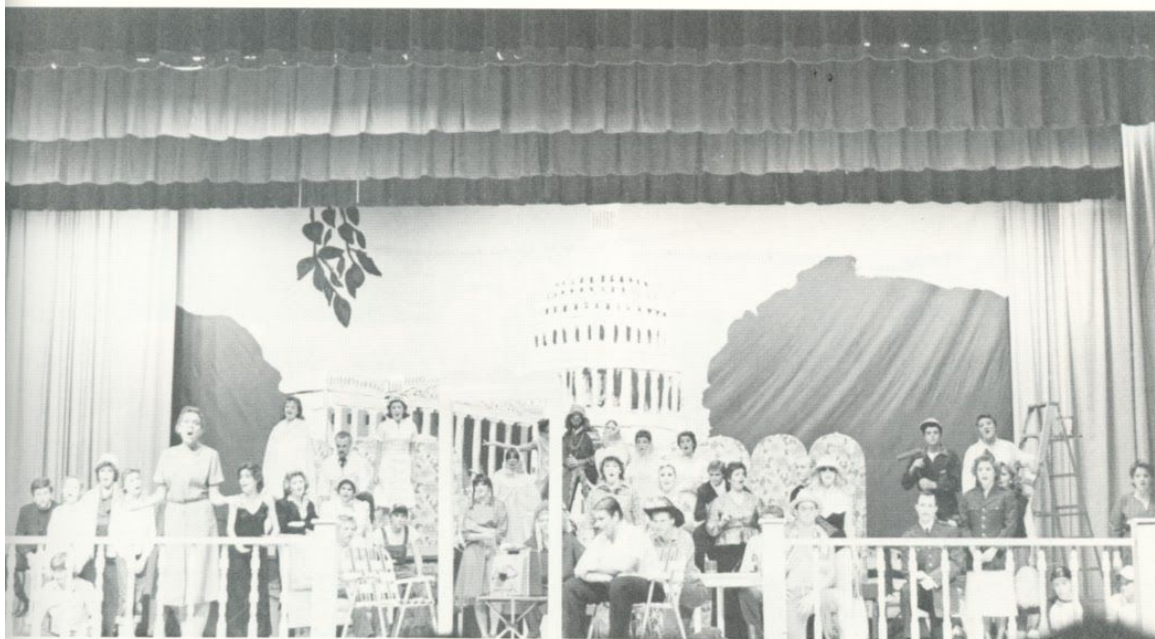

The Inspirations

Hiwassee's fall production, "Story Theatre," was directed by Dr. 'Bookie' Stiles and Mr. Joe Lowry. It was a comedy version of ten tales and fables by the brothers Grimmand Aesop. The cast was excellent at keeping the attention of the audience while at the same time staying in control of the material. Hiwassee can be very proud of its talented comedians.

"Story Theatre"

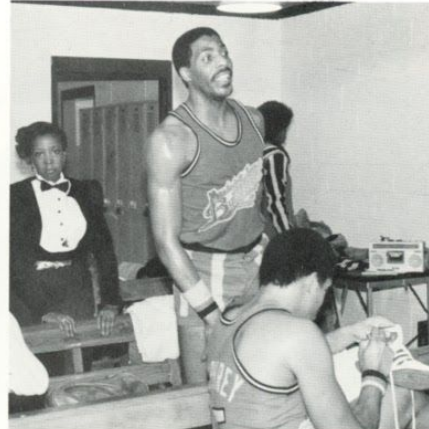

Theatre Hiwassee's spring presentation this year proved to be a tremendous success. "Damn Yankees" was acted by extremely talented actors who enjoyed themselves while on stage. This feeling was conveyed to the audience which made the play even better. "Damn Yankees" was a top-notch play which can be credited to the talented cast and excellent directors.

"Damn Yankees"

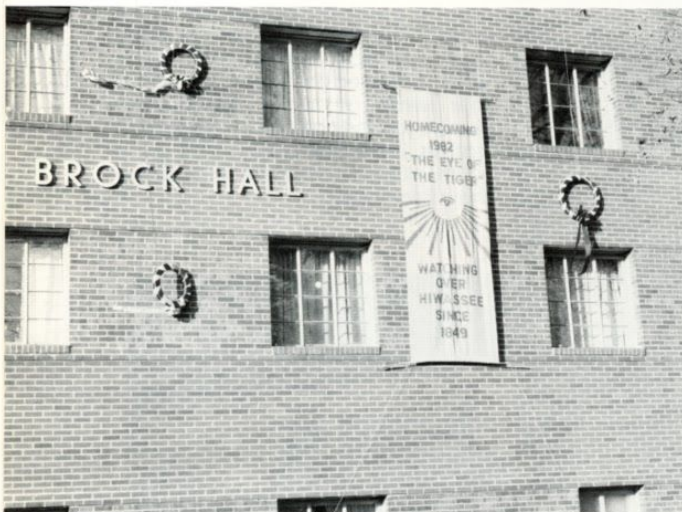

Horse Show

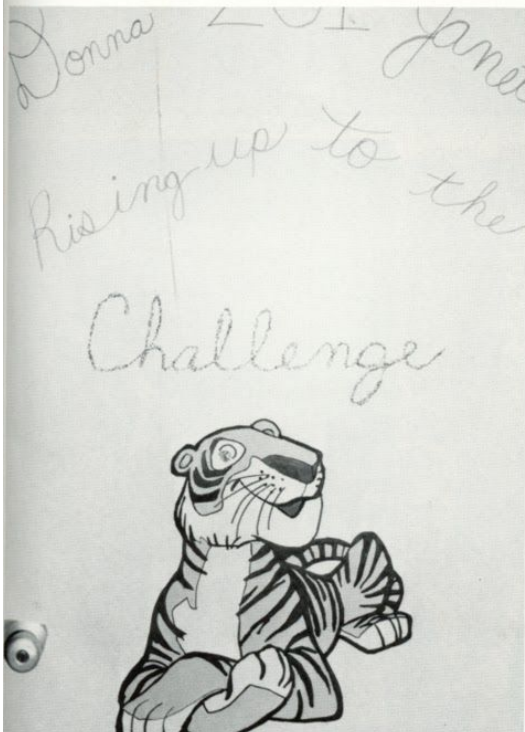

This year the Sophomore Class sponsored a spectacular show which was given by the Bucketeers, a very skilled basketball team. They played a game which displayed their talent as well as their sense of humor. Meadowlark Lemon, formerly of the Harlem Globetrotters, is the ring leader of this great team. All who were there enjoyed the show immensely.

Homecoming Week 1982

Home coming Week 1982 was filled with many exciting activities. These activities helped build spirit and enthusiasm for the Homecoming basketball game which took place at the end of the week. The major event was the dorm decoration competition. The dormitories were each decorated very festively which made the competition very close. In the end, Brock Hall took home the trophy. Pictured are just a few of the fun-filled moments during Homecoming Week 1982.

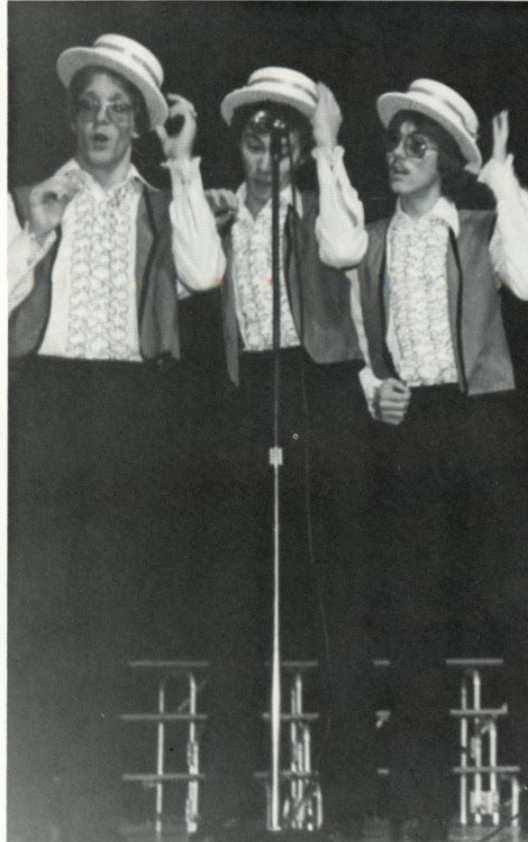

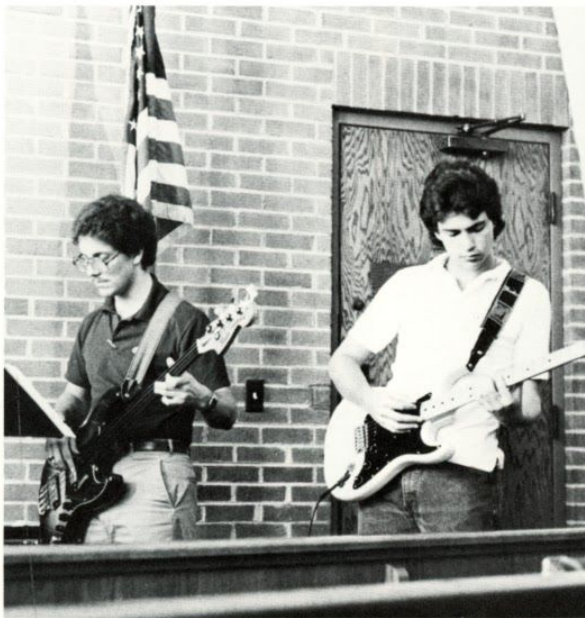

On Saturday, March 19th, Hiwassee's Choir left for their 1983 Spring Tour. They traveled through East Tennessee, Southwestern Virginia, and Western North Carolina. Their stops included several different schools and churches as well as a visit to Biltmore House and Gardens in Ashville, North Carolina. The 1983 tour was a big success for the singers as well as their audiences as they gave their all to please them.

1983 Spring Formal

A night to remember. It was on Saturday night, May 14th, that Hiwassee held its Spring Formal, possibly the best social event this college has for the entire year. Everyone was all "decked out" in his or her finest garments. It was a great time to be at the Airport Hilton in Alcoa, Tennessee which is where the event took place. All who were there will never forget the outstanding Spring Formal of 1983.

Beauty, poise, and talent, That is what it takes to be selected as Miss Hiwassee. Chosen out of twenty beautiful contestants, Miss Connie Kennedy, was crowned Miss Hiwassee 1983. Last year's queen, Miss Chihiro Yorita, crowned the new queen. Miss Melanie Tindell was chosen as the first runner-up and Miss Scarlett Hunt was chosen as the second runner-up.

Among our distinguished judges was Mr. Carl Williams of WBIR-TV. The host and hostess for the evening were Mr. Larry Dial and Dr. "Bookie" Stiles. Both are members of the faculty here at Hiwassee.

During the intermission, the audience was entertained by the Armfield Dance Academy. They did routines to the songs, "Celebration" and "You Could Have Been With Me."

The 1982-83 Hiwassee Yearbook staff would like to thank Dean Daugherty, Debbie Coley, Barbara Butler, and Mr. Kiger for their sincere help in putting together this yearbook. A special thanks to Roger Hill for all his help and patience. I would especially like to thank the yearbook staff for all their work and their help.

The two years I spent at Hiwassee were a time of growing and meeting new friends. These years were filled with laughter and tears, good and bad times.

I hope that every person who looks through this yearbook will remember all the good times we had at Hiwassee. I hope that this book catches some of the spirit and loving that I know we all felt at Hiwassee.
